01	0000EST	0	0						Drought
31	2359EST								

Drought conditions continued across the Ohio Valley through August with most areas receiving well below normal rainfall for the month. In some areas around 50% of crops were considered total losses. Most counties in southwest Ohio were declared Federal Disaster Areas by the US Department of Agriculture. At the time of this writing, no monetary estimates were available concerning the crop loss.

Licking County

1 N Linnville to
2 E Newark

13	1635EST 1640EST	0	0	10K				Thunderstorm Wind (G60)
